

HERITAGE POINTE

..... 2026 SEASON

HERITAGE MEMBERSHIP

.....

COMMUNITY. ACCESSIBILITY. VALUE.

THE GOLF COURSE

3 DIFFERENT NINES – 27 CHAMPIONSHIP HOLES

POINTE #1 VALLEY VIEW

HERITAGE #9 THE ISLAND

DESERT #1 GOING SOUTH

POINTE

Stunning vistas and dramatic elevation changes dominate the Pointe nine. Precision off of the tee is needed to avoid the meandering Pine Creek.

HERITAGE

A traditional parkland design, with many risk reward opportunities, including the famous island green par 5 9th hole.

DESERT

A Scottish links design with swaying fescues and wild grass, superb bunkering and room to let the driver out of the bag.

HOME BASE

The social fabric of our club is our expansive 15,000 square foot gathering space - the clubhouse. The golfer in you will appreciate the well equipped pro shop, private locker rooms and club storage facilities.

The restaurant & patio, however, is the glue that brings our community together. From our locally sourced menu creations, to our authentic indoor dining space and unrivaled patio, this is the place where we gather. Add the spacious Summit and Meadows rooms for those life moments and club events, and the clubhouse truly becomes your home away from home.

STATE-OF-THE-ART PRACTICE FACILITY & LOOP

Experts, beginners and golf socialites alike will marvel at our state-of-the-art practice facilities. Our two practice greens and chipping facility were completed with the arrival of LaunchPad Golf (www.launchpadgolf.com). Our remodeled range provides the perfect place for our members and guests to warm up or hone their swings... plus Heritage Pointe Members receive special access and member rates when playing at LaunchPad... a golf and social experience unlike any other.

Our 3 hole "LOOP"; with a championship length par 3, 4 and 5 is the perfect spot to work on course management or spend quality time with the family.

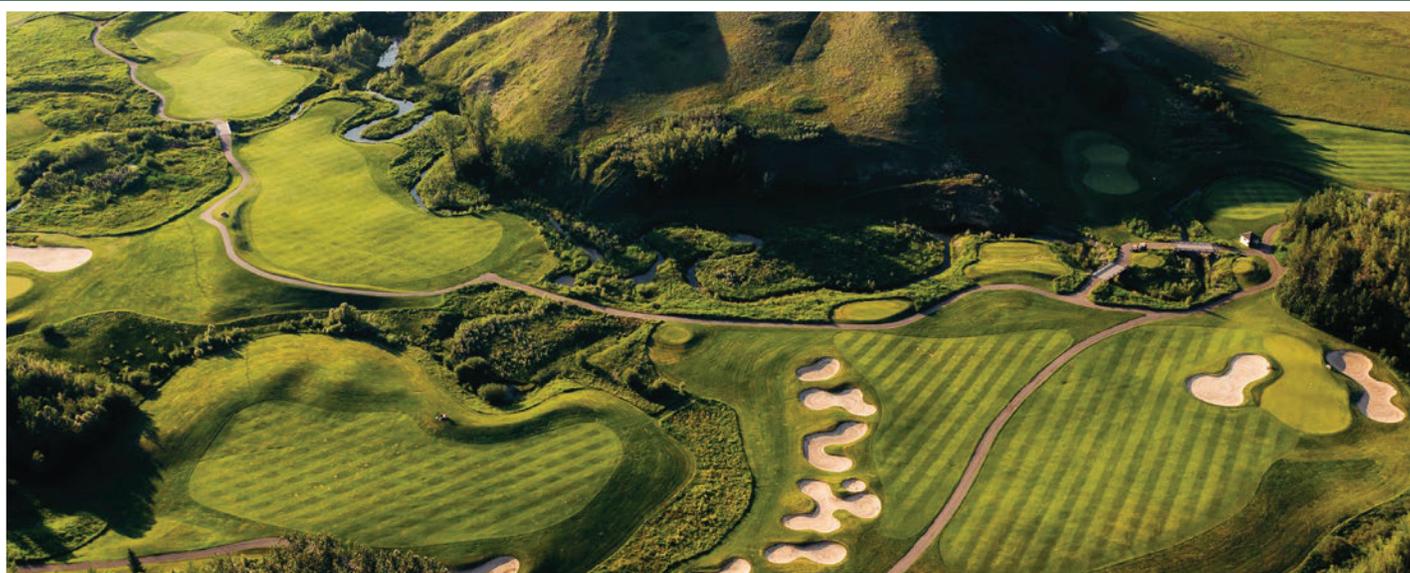

JOIN OUR COMMUNITY
